**Resolution to change the name of Meadow Lane west of CTH-R to
Apple Blossom Lane**

Resolution number 2022-002

WHEREAS, The road known as Meadow Lane in the Town of Kossuth exists in two discontinuous sections. One section between Parkway Road and CTH-R and one dead end section between Apple Blossom Lane and the I-43 corridor.

WHEREAS, A segment of what had been known as Meadow Lane west of CTH-R was previously annexed to the Village of Francis Creek and that annexed segment was re-named Apple Blossom Lane.

WHEREAS, The modification of the village limits resulted in a portion of the road being owned by the Village, a portion shared by the municipalities, and the western end of the road belonging solely to the Town.

WHEREAS, The shared portion and the Town's western most portion are unimproved, narrow, and serve property owners for agricultural purposes.

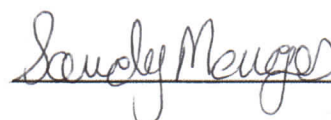

WHEREAS, Confusion exists with the public when attempting to determine address locations due to the discontinuous sections, name changes, and signage.

WHEREAS, if development occurs along this road, either in the Town or the Village, address confusion could be exacerbated and result in delayed emergency services.

NOW, THEREFORE, BE IT RESOVED, That the Town of Kossuth Board will endeavor to change the name of Meadow Lane west of CTH-R to Apple Blossom Lane to be consistent with the Village of Francis Creek and existing signage located at CTH-R.

Passed and adopted this 14th day of February 2022.
